

Adoption is the Best Option

When you adopt a pet from a shelter or rescue, you pay an adoption fee. This fee includes many benefits that are important for the health and safety of your pet. Learn what they are as you help Lyla collect them on her journey through the shelter to her new family. Check the box as you collect each one!

 **Spay or neuter surgery**

 **Vaccinations**

 **License**

 **Microchip**

When you adopt a pet, you open up a spot at the shelter to help another pet, and your adoption fee goes to help the shelter care for even more animals! You are a hero when you choose to adopt a pet!

Dreaming of a Loving Home

When a dog dreams with a twitchy nose,
Muffled woofs, and paddling toes,
Do you ever wonder where he goes?

Some dogs dream of a cozy warm home,
Food to eat, a nice yard to roam,
And a family they can call their own.

Directions: Draw a picture of Buddy's dream home and describe what kinds of things will make him happy and healthy.

Meet Your Match, and Save a Life

Remember, when you adopt a pet you are a superhero! Animal shelters and rescue groups help pets find homes with new families.

Before adopting a pet, always do your research! Having a pet is a BIG responsibility, and there is a lot to think about before making the decision to adopt:

- How long will the pet live?
- What supplies does the pet need?
- What food and how much does the pet eat?
- What is the pet's activity level?
- How much time does our family have to spend with a pet?

Match each pet with the family that is a good fit for them!
